Introductions/Overview/Open Positions

Maryangela opened the meeting, and we discussed the purpose of the RMPA and the events and programs that are provided throughout the year. We still have open positions for next year. There are president, vice president, and treasurer positions still open on the executive committee, as well as event chair positions. Please come see anyone on the current executive committee with questions or more details!

Budget Update

We look to be on track budget wise across the board, or even ahead for the year. The income coming in from Yay Lunch and lunch orders is on track, and we have been under budget for most of our programs. We are still finalizing the planning and budget for the Family Fun Night event this month, but we have negotiated a good rate for Boomerang and are now reaching out to potential food vendors for dinner options.

Photographer Update

We reached the end of our contract with the current photography vendor. A committee has been established to research potential new vendors for school pictures, not only standard formal portraits, but more informal lifestyle/candid pictures. Research is underway, and more updates will be coming soon!

Lunch

Things are going well with Yay Lunch, and we are continuing to develop the program and improve logistics in this first year with this program. We have had positive feedback re: the quality of the food, and are always looking for feedback (positive or negative). We are working on putting together a survey with the help of administration, to see what our options would be for a third day of lunch during the week.

Family Fun Night

January 30, 2020 at Boomerang in Short Pump, from 6:00-8:30. One section will be roped off for kids five and under. Please RSVP, and fill out your waiver before you show up to save time in line! We opened up the floor for catering ideas/options for dinner, and Maryangela will follow up on those suggestions.

Class Reps/Community Building Update

Discussed the class socials that have occurred and options/ideas for the remaining socials moving forward.

Calendar Reminders

January 25, 2020: Winterfest
January 30, 2020: RMPA Family Fun Night
Adjourn: Next RMPA meeting is February 13, 2020. See you there!
